██████████ has priced, executed and will manage the risks associated with this transaction in a principal capacity and at arm's length. ██████████ is not acting as your fiduciary, agent or advisor in relation to the execution of this transaction and management of the associated risks. ██████████ has made no representation or warranty to you concerning the performance of this transaction or ██████████ other activities and/or competing interests that could conflict with this transaction at any point during the term of the transaction.

Specifically, our hedging requirements may include:

- (i) buying and selling, on a dynamic basis, exposure to the asset underlying the option in the spot, cash or derivatives markets;
- (ii) dynamically adjusting our hedges as market prices approach an Event; and
- (iii) anticipating an Event and unwinding our hedges before the barrier event occurs, and/or unwinding our hedges after an Event occurs.

Unwinding or adjusting the hedge typically consists of buying or selling a quantity of the asset underlying the option, or terminating or entering into derivatives positions with market counterparties. This activity may affect the likelihood of an Event occurring or not occurring. In addition, derivative transactions that we execute in other capacities may affect the probability that an Event will occur.

██████████ is a marketing name for investment banking businesses of ██████████ and its subsidiaries and affiliates worldwide.
